JJAG Minutes 09/20/2024 FINAL

Committee Reports:

Executive Committee (Ned Chester & Jill Ward):

Need to determine whether we will schedule a visit to Long Creek for the end of the year. Regular monthly meetings would be November 15 and December 20. Discussion about at a minimum having a tour and the opportunity to talk to staff. Hold off on meeting youth until we have a plan for how to do that best. No update from OJJDP on status of our Title II application and new 3-year plan.

R/ED Committee (Regina Phillips & Chris Northrop): R/ED data collection, analysis and report is the priority, per the 3-year plan. Center for Juvenile Justice Reform has been helping us design what is needed for the report and has identified a data partner to work with us.

- Motion by Chris Northrop to allow R/ED Committee to move forward on a sole source contract under the guidance of CJJR to get that process going. Seconded Bonnie Porta. **Adopted 10-0.**

Governance Committee (Ned Chester & Bonnie Porta): Ned presented an update on pending appointments that will help us meet our State Advisory Group requirements. A letter has been sent to the Governor's office asking for decisions by November 30.

Systems Improvement Committee (Jill Ward & Luc Nya): Update was given on the Probation Transformation project. Awards for the BIPOC and marginalized youth RFA have been awarded. In order to provide full awards to the 5 organizations that scored highly on the solicitation, the Board would need to authorize and additional \$4,000.

- Motion by Jill Ward to approve the additional funds to provide full funding on all five awards. Seconded by Bonnie Porta/Christine Thibeault. **Adopted 9-0.**
Awardees: *MidCoast Youth Center & Skate Park, Juvenile Community Review Board (OOB), Out Maine, RJ Project of Maine, Smooth Feather*
